Corrigendum to the paper by K. Sarkadi in vol. X

In the paper by K. Sarkadi, *An extension of Chebyshev's inequality* (Zastosow. Matem. 10 (1969), pp. 143-153), the following author's note has been omitted in the proofs.

The author gratefully acknowledges the cooperation of I. Vincze in obtaining and formulating the results of this paper.

The Editors regret it very much and apologize to both the Author and Professor I. Vincze for that omission.
